

Maybe Facebook will have another... Victim!

For lots of the clubs and bands it is no doubt easier to drop a photo into Facebook than to e-mail me the information... I think I may just let them see how many and what quality of people they get with Facebook.

As you can see, there are fewer and fewer display ads every week AND I can see from the web site stats that there are fewer and fewer visitors there each week.

We will also see how Facebook works for fundraising... this little newsletter has raised well over 250,000 Pesos to help Mexican musicians in a bind... and Keep it LIVE at Lakeside! has also assisted quite a few with medical bills and money during the lockdown.

There never has been nor will there be any charges for my services but I I really don't care for what's happening here right now.
