

That was some storm last night!

We were having a super time at the JAM at the American Legion last night... in fact at the time the lightening show started I was up playing... BOOM!... all hell broke loose... the power went and the rain was coming down in buckets!

I went and got our car as we had passengers with us and another schmozzle with the traffic along the Malecon... but finally made it and got the gals all home and it was time to start doing this week's Keep it LIVE at Lakeside!... nope!... the storm wasn't done with me yet... the computer I have all the stuff on would not start... period.

We got it down to a shop that does Mac's, plugged it in and away it went... guess it needed a car ride! So it's late and may not be available for Monday's stuff but the rest of the week is full of fun stuff.

Sorry to be late but completely unavoidable!

Francis

duo w/ guitar, mandolin & vocals

Tuesdays noon-2pm

at the Huerto Cafe: *Hidalgo 212 in Riberas del Pilar*

Expert mandolinist Jan Reimers and multi-instrumentalist Jeffree White share a love of bluegrass, but also much more music than that! They present a variety of instrumental & vocal music, inspired by David Grisman's "Dawg music", vintage swing, fiddle tunes, exotic waltzes, Latin rhythms, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'! You can find several videos in a playlist on YouTube (search band name or our names).

Live Theatre

THE MOTIVE AND THE CUE

Written by Jack Thorne

Directed by Sam Mendes

Story Line:

Sam Mendes (*The Lehman Trilogy*) directs Mark Gatiss as John Gielgud and Johnny Flynn as Richard Burton in this fierce and funny new play.

1964: Richard Burton, newly married to Elizabeth Taylor, is to play the title role in an experimental new Broadway production of *Hamlet* under John Gielgud's exacting direction. But as rehearsals progress, two ages of theatre collide and the collaboration between actor and director soon threatens to unravel.

The events recounted are broadly true, but Thorne has carefully shaped them into an epic confrontation between "a classicist who wants to be modern and a modernist who wants to be classical", as Taylor explains to Gielgud when they first meet, moving the focus from crowd scenes to monologues, from his text to Shakespeare's, with great skill.

Box Office open July 17 & 18 from 10:00 to noon, as well as one hour before the screening. Or, order on line at <https://ltmex.sales.ticketsearch.com/sales/salesevent/135782>.

Sorry to be late this week!

I am ready for a great week... how about you?

Take care and have a great week!

See you somewhere... SOON!
