**... and that's the whole truth!  
... and nothin' but the truth!**

There really is nothing like it! People picking up a completely inanimate object like a music instrument and getting beautiful sound from it... it is really a very amazing thing.

Of course if everybody could or did do it, it might lose some of its luster... but they don't or can't... not everybody has the lust involved to make music BUT everybody can listen, watch, dance to or just walk around with a tune on your mind all day long!

Get on out and enjoy some entertainment... you'll be happy you did!

## "Bluegrass & Beyond"

w/ Jeffree White & Jan Reimers

**duo w/ guitar, mandolin & vocals**  
Tuesdays noon-2pm

at the Huerto Cafe: Hidalgo 212 in Riberas del Pilar

Expert mandolinist Jan Reimers and multi-instrumentalist Jeffree White share a love of bluegrass, but also much more music than that! They present a variety of instrumental & vocal music, inspired by David Grisman's "Dawg music", vintage swing, fiddle tunes, exotic waltzes, Latin rhythms, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'! You can find several videos in a playlist on YouTube (search band name or our names).
