

**Stress is caused
by not enough
music.**

**What are your plans to relieve stress...
This week (and beyond)?**

Here's a whole big bunch of stress relievers for you and your friends... a few "don't misses" coming at you too!

You know I love the circus and they use to set up at the Tobolandia grounds... but that's all closed down right now! I tried to get an ad for them but have had no luck. The **London Circus** is set up in the area just east of Walmart's... not the greatest location but maybe give 'em a shot!

Also on Saturday afternoon (I go around 2:30 PM) at the futbol field on Revolucion (by Bugambilia Mall and Scallion's) is the very unique and fun **Globo Show**... hot air balloons (and 100's of 'em are launched... absolutely incredible! See you somewhere soon... I hope!

AUDITION INFORMATION

Welcome to the Renaissance, where the Black Plague has ceded power to the Puritans, farthingales and codpieces are the latest fashion trend, and the biggest celebrity in England is a playwright named William Shakespeare. In the midst of all this excitement, brothers Nick and Nigel Bottom are trying to keep their acting company afloat. In a desperate attempt to out-Bard the Bard, Nick consults with a soothsayer, who informs him that the future of theatre involves acting, singing, and dancing -- sometimes all at once! As the Bottom brothers strive to write the world's very first "musical", they find themselves caught in a bitter battle with the Bard and the play's the thing. *Something Rotten!* is a hysterical, joyous celebration of everything you love about Broadway.
